

Dear Customer,

## Port Authority to freeze pricing for 12 months from 1 July 2020 on all Statutory and Miscellaneous Port Charges

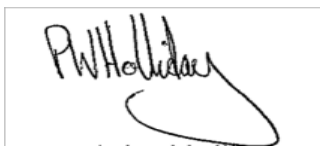

Port Authority of New South Wales (Port Authority) is responsible for managing the maritime operations for all commercial ports in New South Wales. We manage the navigation, security and operational safety needs of commercial shipping in Sydney Harbour, Port Botany, Newcastle Harbour, Port Kembla, Eden and Yamba.

Recognising the unusual and extensive nature of the current public health crisis with COVID-19, which is putting considerable pressure on shipping and the supply chain generally, I am pleased to inform you that Port Authority will put a 12 month freeze on all existing statutory and miscellaneous port charges until 30 June 2021.

Please find attached, the full Schedule of Port Charges which will also be published on the Port Authority's website from 17 June 2020.
