

Harbour Master Instruction

HMI 005-2024

Title: Alteration of Berth Boxes – Southern Quay – Brotherson Dock

Scope: Vessel Masters and Operators – All vessels entering Port Botany

This HMI outlines the updated dimensions for the Southern Quay berth boxes located in Brotherson Dock, operated by DP World. The revised berth box dimensions and chainages are as follows:

- BD10 – 400m x 50m (CH30-CH430)
- BD11 – 100m x 50m (CH430-CH530)
- BD12 – 407m x 50m (CH530-CH937)

These updated berth boxes will replace the current dimensions and chainages of the existing berth boxes effective **01 December 2024**.
